Mitchell Barry, David Lipson and Adam Zerka from Century NY were among the golfers who helped raise \$425,000 for the Children's Happy Faces Foundation at its annual golf outing held at Sleepy Hollow Country Club. The money will help families of Ronald McDonald House® New York and the Make-A-Wish Foundation® of the Hudson Valley. "To date, we have raised more than \$1.5 million for the Ronald McDonald House families in the fight," said Lipson, managing director of the event's title sponsor Century Management Services, and event chair. "Without all of your generous support, our Foundation could not have accomplished all that we have over the years - we are eternally grateful for the outpouring of your support helping us sustain our Happy Faces Mission." With 33 foursomes participating at Sleepy Hollow Country Club Championship Golf Course, and 23 foursomes at Trump National Golf club to accommodate the overflow, the day's activities included horseback riding, tennis, and dominos. With a live auction courtesy of Sotheby's, winning was the word with luxury prizes such as a king-sized DUX bed, and a Randolph Rose bronze sculpture. The fundraiser was supported by NCB, Hercules Corp., Hess Corp., Bargold Storage, Bollinger Insurance, Efficient Combustion, Demar Plumbing, Sotheby's, Skanska USA, Morgan Stanley, Colavita Oil, Mustang Harry's, The New York Yankees, and the New York Association of Realty Managers.
